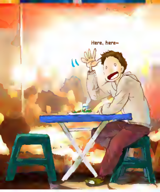
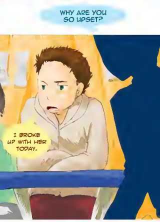
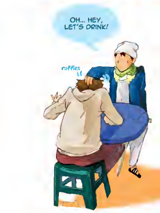
OVER HERE!



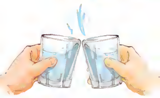
Here, here~

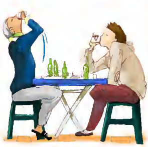


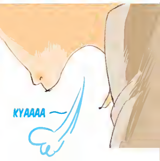
WHY ARE YOU SO UPSET?
I BROKE UP WITH HER TODAY.



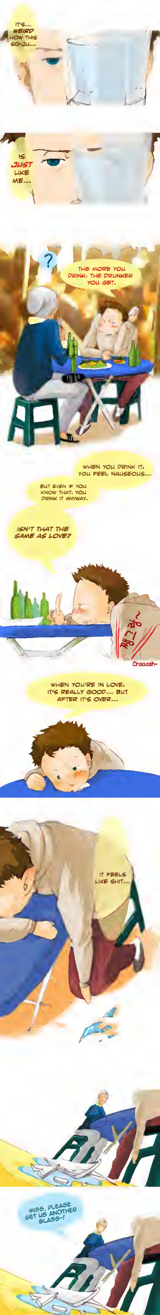
OH... HEY, LET'S DRINK!
ruffles



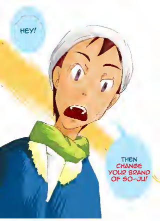




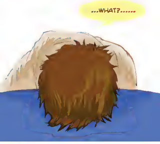
KYAAAA ~

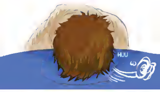


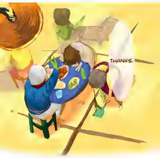
IT'S... WEIRD HOW THIS SO-JU...
IS JUST LIKE ME...
?
THE MORE YOU DRINK, THE DRUNKER YOU GET.
WHEN YOU DRINK IT, YOU FEEL NAUSEOUS...
BUT EVEN IF YOU KNOW THAT, YOU DRINK IT ANYWAY.
ISN'T THAT THE SAME AS LOVE?
Craaash~
WHEN YOU'RE IN LOVE, IT'S REALLY GOOD... BUT AFTER IT'S OVER...
IT FEELS LIKE SHIT...
MISS, PLEASE GET US ANOTHER GLASS~!



HEY!
THEN CHANGE YOUR BRAND OF SO-JU!







** When the guy's friend tells him to 'change the brand of so-ju' it can be interpreted in different ways, depending on gender.*

However, in this story, by saying that phrase

The friend is talking about changing how the guy shows his love

There is a difference in how girls and guys approach their friends when they are in need.

The guy might seem uncaring and cold here, but generally guys prefer to have their problem solved rather than being told 'it's going to be okay'.

This story shows, roughly, how guys would talk about love

When drinking so-ju, this thought often comes to mind

The more you drink, the more nauseous and drunk you get. But if you don't drink, you won't be able to keep up with everyone's euphoric mood, and just end up making everything harder for yourself

That's a little bit like love

The more you love, the more you feel that you can't live without it. But when it's over, you feel hurt and very lonely, and even though we know we will end up hurt, we still fall in love, again

Why must we live like this?
Because we are human beings ^^
